Classic Zoi Greek Yogurt is made in the finest traditions of Greek yogurt, yielding rich, thick texture and epic taste. But can that extravagant goodness be matched in a nonfat yogurt? We proudly present the proof that it can! And like Classic Zoi, Nonfat Zoi is enriched with beneficial probiotics and vitamins, giving your body a healthful boost, while cutting calories.

Zoi translates to “life, active and vigorous.” So you may experience a vigorous burst of energy when you spoon into Zoi Nonfat Yogurt. Its 6-ounce cup delivers a heroic 12-16 grams of protein, 30-45% of required daily calcium and 25% of Vitamin D3...along with 6 active cultures to help digestive and immune systems thrive.
